IFEA WORLD  
FESTIVAL & EVENT CITY<sup>®</sup>  
AWARD PROGRAM

“Recognizing the best in city-event leadership and partnerships around the world.”

# ABOUT THE IFEA WORLD FESTIVAL & EVENT CITY AWARD<sup>®</sup>

The *IFEA World Festival & Event City Award*<sup>®</sup> was designed and created as a way for the global festivals and events industry to openly encourage, support, learn from and recognize positive local environments for festivals and events worldwide. If you are considering applying for this prestigious award, you already understand the important role that festivals and events play in your community by:

- Adding to the quality of life for local residents;
- Driving tourism;
- Showcasing a positive community brand and image to the media, business community, and visitors;
- Creating economic impact that translates into jobs, tax revenues and enhanced infrastructure improvements;
- Providing enhanced exposure opportunities for the arts, not-for-profit causes and other community programs and venues;
- Promoting volunteerism and bonding the many elements of the community together;
- Encouraging community investment, participation, creativity and vision; and
- Building irreplaceable 'community capital' for the future.

To achieve and maximize these important returns for the markets that they serve, we must clearly understand their direct correlation to the partnerships with and support from the local community, at all levels, that is critical to the success and sustainability of existing festivals and events, as well as the ability to attract and encourage new events. Through this special award the IFEA is pleased to recognize those cities and markets who have worked, through concerted efforts, to provide an environment conducive to successful festivals and events. For each year's selected cities, the *IFEA World Festival & Event City Award*<sup>®</sup> provides:

- A strong platform from which to recognize the success of current and on-going efforts by every component of your community;
- A clear positioning statement to encourage continued infrastructure, policy and process enhancement and expansion; and
- A powerful marketing statement for use in recruiting and encouraging new festivals, events and businesses.

We look forward to working with you, your city and community partners to recognize the quality efforts and support that you have successfully developed over the years and should be rightfully proud of. Thank you for your continued support of, and partnership with, the festivals and events industry. Best of Luck with your entry!

# VISA: GLOBAL SPONSOR OF THE IFEA WORLD FESTIVAL & EVENT CITY AWARD<sup>®</sup>

In 2011, VISA joined with the International Festivals & Events Association to become the presenting sponsor of the *IFEA World Festival & Event City Award*, creating a natural partnership between the global events industry and the globally recognized financial leader.

"Through this unique and special award, the IFEA hopes to create and expand the dialogue between events and cities around the world, at a time when each needs to be supporting the other more than ever. VISA is the ideal partner for this program and together we look forward to creating new and ongoing opportunities to explore and inspire these important city/event partnerships, redefining 'best practices' and setting the stage for the future," said Steven Wood Schmader, CFEE, President & CEO of IFEA World.

Charles Brown, Chairman & CEO of Festival Transaction Services and Festival Media Corporation, representing VISA in recognizing the previous *IFEA World Festival & Event City Award<sup>®</sup>* recipients, commented that "The IFEA has successfully built a global network of event professionals and resources that are changing the face of the industry and VISA is proud to be a part of that effort."

Festival Transaction Services has formed a new partnership that includes VISA, Bank of America Merchant Services and First Data Corporation – the three largest financial services companies in the United States – to provide cash management services to the festivals and events industry around the world. "We know that the professionals in the global festivals and events industry today are in need of strong and reliable partners – from recognition to cash management systems that can help them enhance the attendee experience, increase revenues and build stronger financial foundations. We can now bring that to the table and are excited about working with the IFEA to help strengthen the success of festivals and events around the world," noted Brown.

The *IFEA World Festival & Event City Award*® are presented on an individual basis to exemplary cities around the world that we hope others will emulate. The awards are not designed as a competition of one city against another, but rather to recognize those individual cities
