## FREQUENTLY ASKED QUESTIONS

As you prepare your entries, you will have many questions. To help answer many of your questions, we have posted our most frequently asked questions on the IFEA website at [www.ifea.com](http://www.ifea.com) / Awards / Pinnacle Awards / 2016 Pinnacle Awards, check back often as we'll continue to post questions and answers as they come in.

If you have any further questions about the IFEA/Haas & Wilkerson Pinnacle Awards, please contact Nia Hovde at +1-208-433-0950 Ext 3 or [nia@ifea.com](mailto:nia@ifea.com).

Go to [www.ifea.com](http://www.ifea.com) to find answers to common questions such as:

- When you ask for entries in the original format, what does that apply to?
- What do you mean when you say, please provide entries in a 'notebook' or 'bound format'?
- For the more in depth entries (categories 1, 38-68) do I have to answer or provide information for all the criteria and requirements listed under the category?
- Referring to the above question, what if something in a specific category that is required, either does not apply to our event, or we are unable to provide the information required.
- Certain entries ask for budget information, however we aren't able to reveal certain elements of that information as it is not public knowledge. How can I answer the required information if I'm not able to provide it?
- On certain entries, it says we can only provide 5 examples of supporting materials . . . how can I possibly only provide 5 examples!?
- Why do we need to provide certain entries on disk or Thumbdrive?
- Referring to the above question, am I able to save all of the entries I'm submitting on one disk/Thumbdrive, instead of saving each individually?
- Are we able to enter the same event into multiple categories?
- Are we able to enter multiple items (that are different) in the same category, for the same event?
- I'm not a member of the IFEA, am I still able to enter?
- Can I pay for my entries via a wire transfer?
- How are the Pinnacle Award Entries Judged?
- Why do you not publish the points awarded for each entry in the list of winning entries?
- Who judges the Pinnacle Entries?
- Why aren't we able to know the names of the judges?
- It looks like there's even more requirements for some categories . . . what specifically do I need to answer for categories 1, 38-68?
- For the above listed categories . . . what order should I list my entry in, in response to the requirements?

## TIPS AND POINTERS

Never participated in the Pinnacle Awards Program before? Looking for some helpful tips and pointers on how to enter? Below are just a few tips to hopefully point you in the right direction. Be sure to also review the Pinnacle FAQ's and the Pinnacle Packing Tips.

- Start Early!
- Don't wait until the deadlines are almost here to get your entries submitted! If you have time to work on your entries early, do so and then get them in early!
- We will start accepting entries as soon as you want to start sending them in!
- Do not mount any of the merchandise on poster board/foam core/card board etc. It's much easier for the judges to pick up, look at and perhaps try the items on, if they are standing alone.
- Be sure to read and follow all the criteria and requirements for each entry. The criteria and requirements are always being updated, so be sure to review the changes before you start.
- For categories 1, 38-68, that require written information and are also required to be put into a 'notebook' or 'bound format' be sure to submit the information in that category in the order that it is asked so it's easier for the judges to compare one entry to another.
- When saving your entry to a disk or Thumbdrive to go along side your individual entry, be sure to save your entry as one document – instead of multiple documents.
- When putting together categories 1, 38-68 that require a lot of work to create . . . if you have time, make 2 copies! What better way to keep a record of what you did each year not only at your event, but also for the next year's Pinnacles!
- Remember the eligibility period for the pinnacles. Entries must have been produced and/or used for the first time between June 21, 2015 and July 18, 2016. So if you produced an event during that time, or any materials for your event were produced during that time (even if the actual event was outside of that time frame) it's eligible!
- If you are required to write something for your entry, make sure it is well written and easy to read.
- The more organized your entries are, the easier it is to understand your message.
- With all entries, guide the judges to what you want them to see. Highlight the important parts.
- Don't overwhelm the judges with too much information. Summarize the statistics and only display your best footage/news clippings. Quantity is not always quality.
- On categories 1, 38-68 (categories that have a lot of requirements), be sure to have someone that is not closely tied to your event read through your entry to see if everything makes sense. Sometimes you may be too close to your event and you may not include certain information, since it may be too obvious to you. But it may be a vital piece of information. If your entry makes sense to an outsider to your event, it should make sense to the judges.
- Many of the judges may not know anything about your event, so make sure your explanations are clear enough so they feel like they have just attended/participated in your program.
- Proof, Proof, Proof!! Yes, we do mark you down for typos!
- When in doubt – ASK. If you're not sure on something, please contact Nia Hovde +1-208-433-0950 ext: 3 or [nia@ifea.com](mailto:nia@ifea.com).
