CFEE

An Important Step in the Career Track of Industry Leaders

As a professional in the Festivals & Events Industry, you know the difference between Good and Great. You've dedicated yourself to the "whatever it takes" approach that has become your hallmark. You understand the importance and value of continuing to hone your skills, growing your knowledge base, expanding your professional network, and surrounding yourself with others who have reached the top levels of their careers as well.

CFEE (Certified Festival & Event Executive), the IFEA's professional certification program, provides the essential difference between good and great among professionals in our industry. It signifies the highest level of achievement. Attainment of your CFEE certification provides recognition of your commitment

to excellence, experience, and to your career, placing you in an elite group of the top festival and event professionals in your field. It's a statement of quality that you bring to the table.

The International Festivals & Events Association (IFEA World), in association with the Hawaii Tourism Authority (HTA), is very pleased to offer a special training and professional certification opportunity, to complete all six of the required CFEE core curriculum courses in beautiful Honolulu, Hawaii! **Mark your calendar now for this two part training program... December 13th – 15th (2017) and February 7th – 9th (2018)...at the Hawai'i Convention Center in Honolulu.**
