

# IFEA Webinar On Demand

**Thursday, May 11, 2017**

**11:00 a.m. – 12:00 p.m. Mountain Time**

**A Proactive Approach to Claims, Incident Reporting  
and Cyber Liability Risks for Festivals**

**Andrew Vandepopulier, Producer**

**Mike Rea, Recreation Sales Manager**

**Haas & Wilkerson Insurance, Fairway, KS**

*When your festival has a claim, whether it be a trip and fall or a catastrophic weather incident, you should always have an action plan and incident reporting procedure in place. We will discuss the areas which we find the most important and how to help your team prepare for these difficult times at your event. Additionally, we will also touch on the new exposure, Cyber Liability, facing many of your events today, highlighting the risks and the best ways to manage this risk through contracts, reputable providers and insurance programs built specifically for Cyber Risks.*

After graduating from the University of Central Missouri with a degree in Business and Education **Andrew Vandepopulier** began working in the disaster and catastrophe claims field for Farmers Insurance. He spent 3 years working around the Midwest handling all types of claims from hail to wildfires. In 2010, Andrew joined Haas & Wilkerson's Fair and Festival division and has been serving the insurance and risk management needs of the event world ever since. With Clients all over the country ranging from the largest fairs in the nation to the smallest festivals, we have a product for all types of events.
