

On the Cover: Cherry Creek Arts Festival in Denver, Colorado, U.S.A., was featured on the cover of the first issue of "i.e." magazine in 2002. As we proudly celebrate "i.e." magazine's 10 year anniversary in 2012, we are excited to share the cover yet again with this great festival. The photo depicts the group FLEXION who were featured at the festival. Photograph by Randy Moore
