CORE CURRICULUM SEMINAR PROGRAM

Professional Certification is an important step in the career track of leaders in all industries. It enhances professional stature among ones peers; recognizes those who have gone beyond expectations to be the best that they can be; makes a statement to those with whom we do business; provides a leveraged position from which to negotiate and build career success; and sets higher standards for our industry. Through the IFEA's Certified Festival & Events Executive (CFEE) program, industry professionals have the opportunity to achieve all these goals.

Now 25 years strong, the IFEA recognizes the desire by industry professionals to achieve these goals in a shorter period of time. In response to this, the IFEA is now able to provide our six (6) high level CFEE Core Curriculum Seminars, one of the main components of our CFEE Certification Program, at a fraction of the time, travel and costs, through our CFEE *FastTrack* Core Curriculum Seminar Program.

Working with partner organizations like yourself, the IFEA is able to make these CFEE Core Curriculum Seminars possible.
