

# IFEA LEGACY SCHOLARSHIPS

## DONATION FORM FOR THE 'JEAN MCFADDIN LEGACY SCHOLARSHIP'

The IFEA understands the power of celebration. Festivals and events touch virtually every life on the planet and impact our communities in multiple and positive ways:

- Adding to the quality of life for local residents;
- Driving tourism;
- Showcasing a positive community brand and image to the media, business community, and visitors;
- Creating economic impact that translates into jobs, tax revenues and enhanced infrastructure improvements;
- Providing enhanced exposure opportunities for the arts, not-for-profit causes and other community programs and venues;
- Promoting volunteerism and bonding the many elements of the community together;
- Encouraging community investment, participation, creativity and vision; and
- Building irreplaceable 'community capital' for the future.

Toward those ends, the IFEA exists to serve the needs of our entire industry; those who produce and support quality celebrations for the benefit of their respective 'communities' and all those who share our core values of excellence & quality; the sharing of experience, knowledge, creativity and best practices; and the importance of 'community' building, both locally and globally. Our success lies in the success of those we serve through professional education, programming,

resources, networking and representation, in good times and challenging times.

The IFEA Foundation helps to support the mission and vision of the IFEA through it's 'Fund for the Future,' providing financial support that allows the organization to fulfill its educational goals around the world (goals which further enhance the quality of both the events and the professionals who make up our unique industry) and help to ensure that the IFEA will be both financially sound and secure for many years to come, with the assurance of being there to support those touched by our industry, even when times may be rough.

Over the years, selected individuals and/or groups of individuals have chosen to support this important cause by honoring a professional peer for their outstanding dedication to our industry; by paying lasting tribute to a loved one or professional colleague past away; or by ensuring the continued professional growth of those serving our industry in their region of the world or professional niche of our industry, through an *IFEA Foundation Legacy Scholarship*. *Legacy Scholarships* provide a special way to connect tomorrow's professionals with those who have paved the way for us all. We invite and encourage you to make a one-time or continuing (tax deductible) gift to the IFEA Foundation 'Fund-for-the-Future' in support of the 'Jean McFaddin Legacy Scholarship' (see attached detail).
