

IFEA TRAINING

SUCCESS SERIES SEMINARS

IFEA Success Seminars are designed to provide the most up-to-date information, on the industry's most important skills, trends and issues, presented by the top professionals in our field. Seminars can range in length from 90 minutes to half, full or multiple day sessions. Topics may be presented with a narrow, more detailed focus or with a broad brush-stroke introduction to multiple topic areas.

The following represent a sampling of training topics or we will be happy to work with you to customize an IFEA Success Seminar to meet your specific needs. Some IFEA Success Seminars may count toward credits necessary to complete the IFEA's Certified Festival & Event Executive (CFEE) professional certification program.
