

IFEA Announces Member Benefits From IEG

Organizations in the Festivals & Events Industry know all too well the impact that sponsorship dollars have on the success of their festival/event. Knowing and understanding the latest sponsorship trends can mean the difference between gaining that top sponsor or losing them to a technicality. At the IFEA, we understand that impact and have now made it easier for you to access the most up-to-date sponsorship information in the events industry.

In partnership with IEG, Inc., the premier sponsorship organization in the events industry, the IFEA would like to announce a series of unprecedented discounts on IEG services, available only to IFEA members.

Members of the International Festivals & Events Association can now receive

on all of the following IEG programs:

IEG Sponsorship Seminars

With up to 25% savings for IFEA Members – IEG's Sponsorship seminars are a real bargain. With topics such as Selling More Sponsorship, Advanced Sponsorship Sales and Measuring Sponsorship's ROI – these seminars are a must-attend – especially with the great rates for IFEA members!

- ***Selling More Sponsorship Seminar***

"IEG's flagship seminar on the essentials of sponsorship sales is designed with one goal: Helping you earn more money from corporate partnerships. You'll gain real-world methodologies for packaging, pricing and selling your sponsorship opportunities, as well as street-tested strategies for fulfilling, renewing and up-selling sponsors."

- ***Advanced Sales Seminar***

Break the rules, Close more sales. This high-level seminar is led by IEG's senior trainers, including Lesa Ukman and Laren Ukman, you'll learn how to strategically create, tailor and improvise, plus gain insights into what's on the minds of sponsorship so you can reframe or improve your approach."

- ***Return on Sponsorship Seminar***

"Relying on old-fangled measures like impressions and media equivalencies won't do. IEG's fast-track seminar on gauging ROI spells out a program for capturing and measuring the metrics that matter. You'll get the absolute best, most actionable findings to measure your own programs."
