With SponsorshipPRO+ you can import photos, spreadsheets, radio and TV spots—even poster art—into presentations that forge higher-level relationships with your sponsors.

Meet the challenge of fulfillment

Recent research shows 83% of sponsorship sellers surveyed believe they should be doing a better job providing client fulfillment reports.* SponsorshipPRO+ provides a powerful advantage during the crucial wrap-up phase of your selling cycle.

Easy-to-use and affordable

SponsorshipPRO+ is an easy-to-use, innovative and affordable software tool designed for the sponsorship industry. Its user-friendly design enables festivals and events of any size to identify, organize and present essential marketing files to sponsors.
