

NetSuite Description;

NetSuite is a unified, cloud-based business management platform helping tens of thousands of customers across the globe automate core processes and provide real-time visibility into operational and financial performance. Organizations of all sizes and across dozens of industries run on NetSuite and its applications for finance, supply chain management, customer relationship management (CRM), human resources, professional services, ecommerce, and more. Whether you're a startup or an enterprise, or somewhere in between, NetSuite gives you the visibility, agility, and control to make the right decisions quickly.

Discount:

We offer to **IFEA members 40% off Starter Edition | 45% off Standard and Premium Editions of NetSuite at a 3 year price cap at 5% after the initial term SaaS licensing.**

Members can benefit from our partnership through:

- Ongoing educational opportunities via joint webinars, podcasts, in-person educational sessions, and/or presenting at annual association meetings.
- Collaboration with NetSuite's dedicated Associations and Buying Groups team to discuss best practices and industry challenges, and access NetSuite's expansive network to provide technology solutions for growth.
- A central point of contact for questions and escalations to help ensure success.
