

THE JEAN MCFADDIN LEGACY SCHOLARSHIP

The *Jean McFaddin Scholarship* is one of 20 *Scholarships* made possible by the generosity of many industry donors through the IFEA Foundation. Each scholarship covers the full registration costs

Providing support to a deserving individual/organization who has had at least 2 years active involvement, either as staff or volunteer, in producing a multi-dimensional event and whose career/life has been inspired or touched by the Macy*s Thanksgiving Day Parade.

(travel and lodging are not included) for a deserving industry professional, student or volunteer to attend, learn and grow from the unparalleled creativity, education and networking of the IFEA Annual Convention & Expo - the leading industry gathering of professionals dedicated to the festival and event field. The dates and location of the IFEA Convention vary each year and are announced as soon as they are known on www.ifea.com.

Each scholarship is designed to support and encourage selected

and targeted individuals. Applicants must meet the criteria outlined for the specific scholarship (see above) that they are applying for and cannot be in a financial position to attend without scholarship assistance. Once these requirements are met, applicants are considered on their cultural diversity, professional aspirations, course of study (if a student), and statement of benefit to themselves and/or their organizations and communities as the result of attending the convention.
