2021 CFEE STUDENT WEBINAR SERIES

IFEA CFEE Student Webinar Series On Demand

**Work Smarter, Not Harder:
Ways to Make Your Event More Efficient**
Megan Tramonte
Associate Director
Artfest Fort Myers
Fort Myers, FL

If a successful event is your goal, then intelligent efficiency is the key. Learn how to take your operations management to the next level by using sanity saving ideas. Get tips on how to up your game with digital organization, festival zoning, inventory management and transportation, and information dissemination. The tips in this webinar will lead to a confident, more in-control you during your event.

Megan Tramonte is a graduate of Florida Gulf Coast University and has a degree in Resort and Hospitality Management with a concentration in Event Management. She is currently the Associate Director of ArtFest Fort Myers, Southwest Florida's largest weekend event. In her free time, Megan's travels have taken her to various art shows across the country. She is a chalk street painting hobbyist and participates as an artist in the Lake Worth Street Painting festival. Her experience as an artist and event organizer gives her a unique perspective into the world of art shows.

Length: 60 Minutes

Webinar on Demand will be sent as an online link along with any supporting document provided.

All IFEA Webinars must be purchased and viewed within the same calendar year.
